

REDEEMER CHRISTIAN FOUNDATION

2021 Impact Report

From our School Director

A parent's proudest accomplishment is the success of their child. Seeing their hard work and determination pay off is the greatest gift. I get to experience this feeling with all the students, as they feel like my own children.

At our Annual Final Examination Awards, which occur when the term

ends in March, we get to inform the students of their promotion to the next grade level. This year, we also had the biggest news in our history, as two of our students have advanced to their next schooling level, graduating from Redeemer Christian School.

I was full of joy, seeing the hope and thirst for education in the eyes of the children. And my heart cried out seeing the children that received awards that day. This is such a proud moment for their sponsors, parents, Board members, and all the people who are praying and giving support to Redeemer.

Our Annual Examination Awards are not just about one single day, but the result of all the children's hard work throughout the year. And on that day, I was like a coach who prepared his players to participate in the Olympic Games. It felt like my players (the students) took home the Gold Medal.

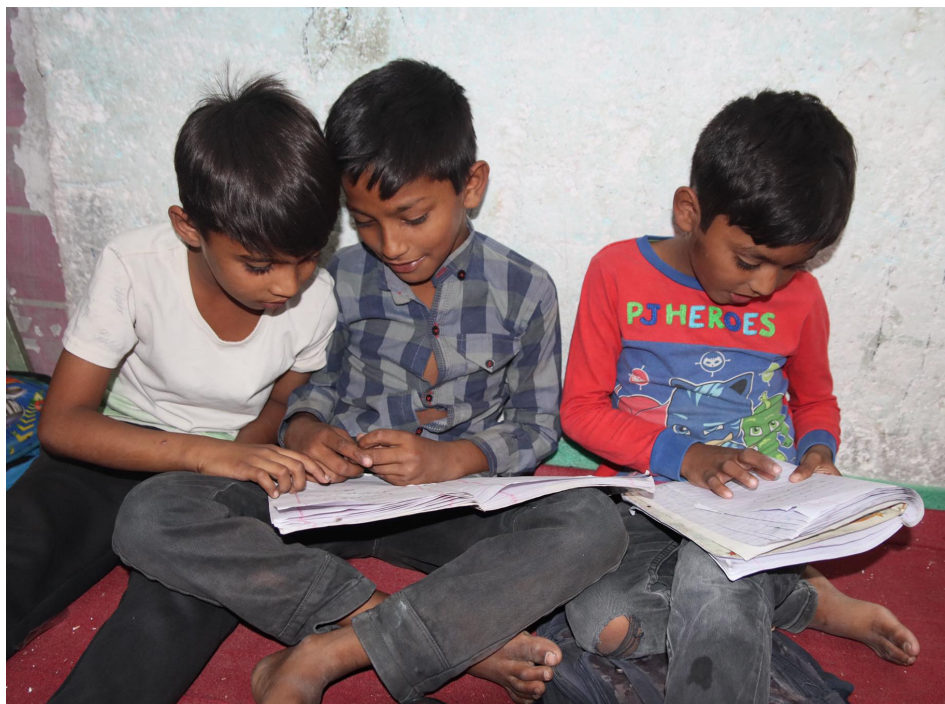

I can see the sweet fruit of our hard work on that day and I believe I am not the only one who deserves this celebration – you are all a part of it. We could not have completed the 2021 school year without you!

Anosh Yaqoob

RCS DIRECTOR

"LET US ACKNOWLEDGE THE LORD;
LET US PRESS ON TO ACKNOWLEDGE HIM. AS SURELY AS THE SUN
RISES, HE WILL APPEAR; HE WILL COME TO US LIKE THE WINTER
RAINS, LIKE THE SPRING RAINS THAT WATER THE EARTH."

HOSEA 6:3

Our Mission

Redeemer Christian Foundation, Inc. exists to promote the hope and love of Jesus with people in hard-to-reach countries, with a particular focus on providing a Christian education to those who are orphaned, impoverished, oppressed, or persecuted for their faith.

In 2021, your support:

- launched a Vocational Sewing Program and empowered five women to become seamstresses, providing work through Well Women
- added two VBS programs for children in the community

The Sunil Siblings

Like many of our students, the Sunil siblings, Evelyn (age 7), Eva (age 10), Evon (age 11), and Eric (age 12), have been at our school for years. The Sunils live in a small rented room near the city, in tight quarters with each other.

But these siblings don't let their circumstances keep them from dreaming! They have big dreams and they work hard to achieve them! At the presentation of the Final Examination Awards for 2021, Anosh, our director, had the great pleasure of awarding them with high honors. The top three students in each grade are awarded with honors and all of the Sunil siblings went home with a trophy – talk about a power family!

Evelyn received First Position in Grade 1, Eric (pictured) and Evon both received Second Position, in Grades 6 and 5, respectively. Eva (pictured) also ranked in Grade 4, receiving Third Position. Anosh was bursting with pride at the achievements of these four siblings, who've been through so much.

*"I have seen the big dreams
and hope in their eyes to
achieve those dreams"*

Each child has a different path, and we're feeding the minds, spirits, and bellies of the future doctors (Eva and Evon), bank managers (Eric), and teachers (Evelyn) of Pakistan. 2021 was a year of resilience for our school, as evidenced in the growth of our students and their accomplishments.

See the joy you provided for Eric, Eva, pictured left, and their siblings through your generosity!

Graduation

Our first two students, Rosaline and Ribca (pictured above) have completed their studies at Redeemer Christian School! We received the news last December that they've successfully passed their tests and received Secondary School Certificates.

The girls will now move on to Intermediate College. Rosaline (pictured left) is pursuing a pre-medical stream so she is attending Aspire College. Ribca (pictured right) is pursuing a teaching stream and she'll study for her exams with Anosh.

Rosaline and Ribca are just the first of our graduates and we can't wait to multiply each year -- continuing to be part of the story God is writing in Pakistan.

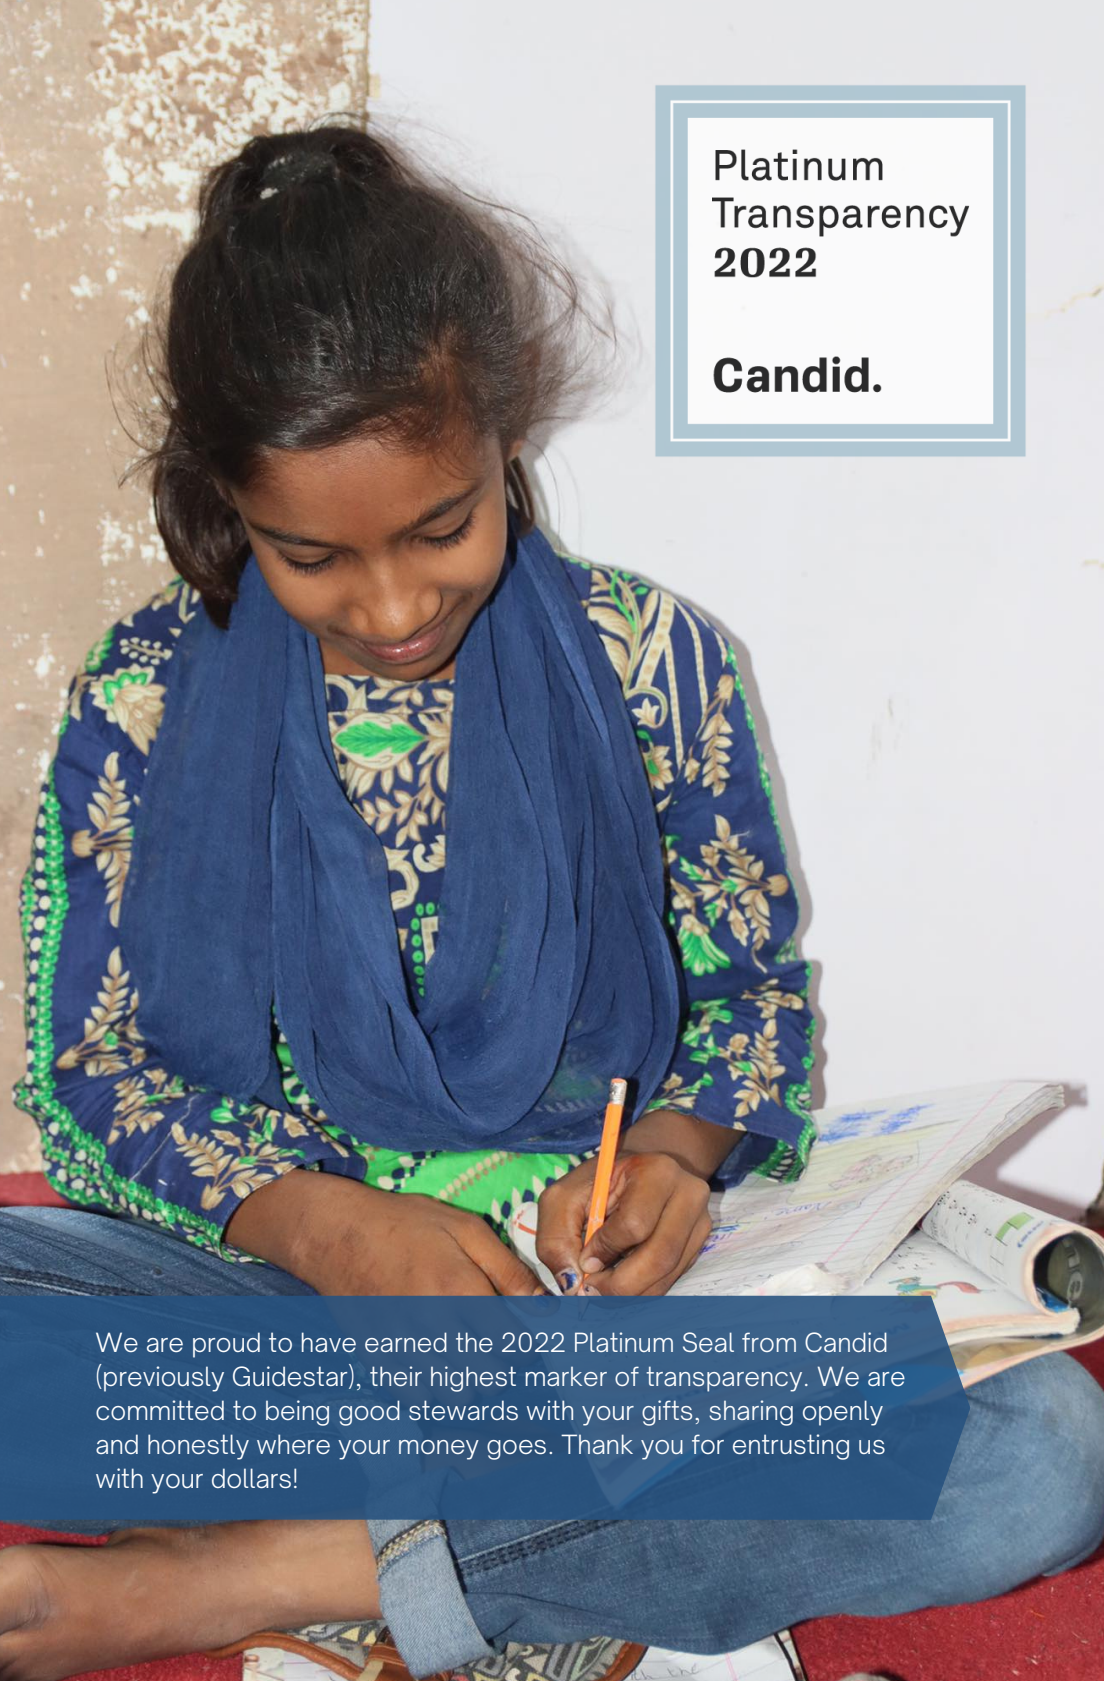

Volunteer Profile: Kelly

God led Kelly Stitt to Redeemer Christian Foundation through a social media post from a sorority sister who she had never met - Founder, Bev Rihtarchick. After speaking with Bev about the amazing way that God introduced her to a school and Bible teacher from a secluded village in Pakistan, Kelly knew she wanted to contribute. She happily accepted a position on the Board of Directors, and began sponsoring students halfway around the world.

Kelly has grown to love the school, Anosh, the teachers, and the 80+ children who are being educated and learning about their Redeemer, Jesus Christ.

"I AM SO BLESSED TO BE A PART OF BUILDING
GOD'S KINGDOM, SPECIFICALLY AMONGST THE
"LEAST OF THESE."

Transparency
2022

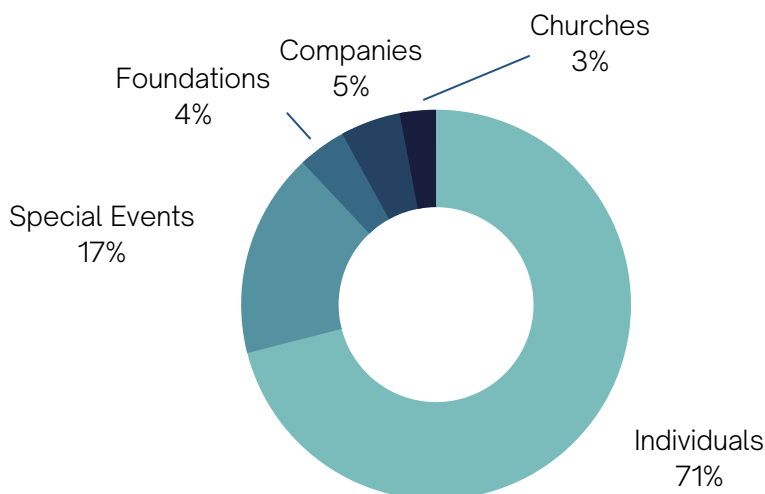

Candid.

We are proud to have earned the 2022 Platinum Seal from Candid (previously Guidestar), their highest marker of transparency. We are committed to being good stewards with your gifts, sharing openly and honestly where your money goes. Thank you for entrusting us with your dollars!

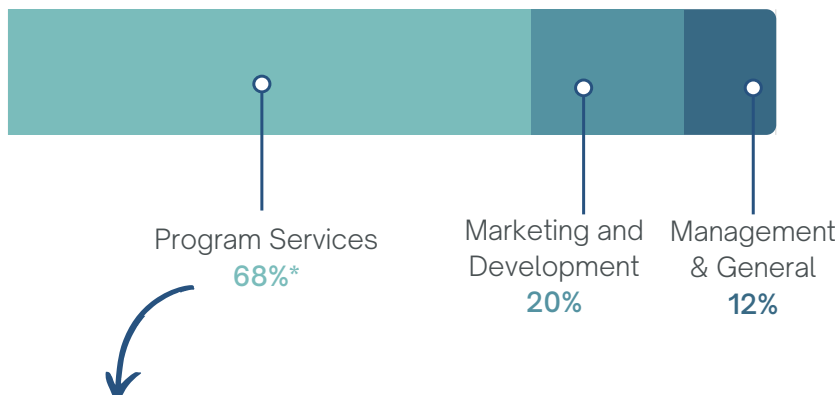

Financial Information

SOURCES OF REVENUE

\$105,974

EXPENSES

*Costs in the US are higher because your dollars go so much further in Pakistan. Luckily, our Board of Directors covers all overhead costs, so 100% of your dollar goes directly to our students!

Plans for the Future

We serve the community through four main pillars: Education, Evangelism, Humanitarian Aid, and Safety. Here are the goals we have for each category in 2022

In 2021, we launched Well Women, a social enterprise to empower at-risk women who enroll in our sewing program through employment. The women learn to sew, creating fair-trade products that we sell through online marketing and boutique partnerships.

Learn more at redeemerinc.org/shop

Education

1. Increase the student population by 10 percent
2. Add a teacher to decrease classroom size
3. Ensure graduation of at least five women from the Vocational Sewing Program

Evangelism

1. Add one community outreach session per month
2. Train students to share the Gospel with unreached populace
3. Continue Guest Pastor Program with six sessions in 2022

Humanitarian Aid

1. Employ families to assist with Well Women social enterprise
2. Provide grants for families to enable them to stay in school when faced with financial difficulties

Safety

1. Provide transportation to and from class for students and staff who live more than 30 minutes from school
2. Partner with United Bible Training Center to provide semi-annual ministry training programs for women & girls
3. Maintain female enrollment at 50 percent of student population
